A Fifth Sunday Meeting

At 7:30 o'clock on Friday evening
before the 5th Sunday in October,
1915, the ministers and deacons,
a goodly number of them, of the White
river association of General Baptists
assembled at St. James church near
Kirbyville, for the purpose of holding
what is called a minister's and deacon's
meeting, and meeting of the presbytery.
There was a splendid turnout of min-
isters and deacons, there being 11 or
12 ministers and more than that many
deacons, and a large congregation all
the time.

After the introductory sermon, by
Elders Ivey Brown and Alfred Johnson,
from the 17th chapter of Revelation,
the meeting was called in business
session, and proceeded to elect Elder
U. G. Johnson, moderator, and J. A.
Johnson, clerk, after which the moder-
ator appointed Bro. Sam Snapp, O. L.
Stallcup and Thos. Coffelt as a com-
mittee on program.

The committee on program assigned
the subject of The Church to Elder
G. C. Whorton for Saturday at 11
o'clock, but when they found that J.
F. Stuart and Johnnie Rose were there,
by the consent of Bro. Whorton, the
committee prevailed on them to fill
the stand at 11 o'clock Saturday.

The subject of the Woman Clothed
with the Sun and with the Moon under
her Feet, and upon her head a Crown
of Twelve Stars, was discussed Saturday
night by Eld. U. G. Johnson, followed

by Elder Blair of Reed Springs, to a
crowded house.

Sunday morning at 10 o'clock the
prayer and social service began, with
some of the very best of singing, led
by Arter Johnson and Alvy Howard.
At 11 o'clock Elder L. W. Blair took
the stand to preach on the subject of
the call to the ministry, followed by
J. L. Snapp and Ivy Brown. A call
for seekers was made and several came
forward to be prayed for, and quite a
revival took place, people experienced
the old time religion.

At the close of this service the Pres-
bytery proceeded to the work of ordain-
ing two ministers, to-wit, Alvy Howard
and Uncle Jap McMillan, and one
deacon for Sardis church, to-wit, Willie
Coffelt.

Thereafter the moderator said that
there was dinner on the ground and he
guessed we had better adjourn and eat
a snack. So the Fifth Sunday meeting
adjourned to meet on Friday night be-
fore the fifth Sunday next year, when-
ever it will be. The moderator, with
the committee, will prepare a program
and send it around.

Teachers Meeting

A local teachers meeting was held
at Bee creek Saturday October 30th.
Ten teachers were present. The pro-
gram began at eleven o'clock, follow-
ing the devotional services which was
led by Mr. Ward and the welcome ad-
dress by Mr. Schneller the morning
were spent in discussing problems
relating to the betterment of schools
in Taney County. Short talks were
given by F. A. Bicknell, D. H. Kay,
Mr. Hoenshel, County Superintendent
John W. Bennett, Mrs. Hoenshel and
others. Mrs. Hoenshel was especially
interesting.

At the close of the morning period
a sumptuous dinner was served by the
patrons of Bee creek.
The afternoon was devoted to exer-
cises by the pupils of the different
schools, which was very good, on the
whole the association was a very en-
joyable one and very beneficial to all
the pupils, patrons and teachers pres-
ent.

in Kansas for some time returned home
last week.

Miss Florence Tittsworth has been
having trouble with a bruised neck,
caused by a horse falling. We are
told by Miss Florence that the bruise
wouldn't have been so bad if she hadn't
been traveling at such swift gait when
the horse fell.

Miss Lula Clevenger has been suf-
fering with a sprained arm and hand,
caused by breaking a broncho pony to
ride.

There were several visitors at the

shine and warm weather, which is a
great help to the farmers in getting out
their corn, and doing other fall work.
Considerable fall plowing is being, and
this will advance work in the spring.

Sunday evening with a view to looking
up a winter's job, and will probably
move there soon.

Last week Reuben Isaac's wife pre-
sented him with a fine boy, and last

with a duplicate of the old man, and

a good report of the country she lives
in, as they had abundant crops this
year.

Willie Hale blew in from Lutie,
Ozark county, the other evening, and
is spending a few days visiting with
his sister, Mrs. Gofourth.

The road workers in this edge of
Stone county raised a big howl the last
few days because the constable came
to collect their poll tax, with the added
costs that made it double what it would
have been if paid earlier, most of them
claiming that they did not know who
their road overseer was to pay it to,
and having had no notice during the
summer of their indebtedness, think
they have been harshly treated. Not
so in Taney county, as our faithful Jim
Cox gave every man a chance in plenty
of time and we hear of no complaints,
and the road work all done up in good
season.

Roadmaster Cantrell spent a short
time in Garber last Saturday.

VILLA IS BOASTFUL

Mexican Chief Ready to Whip
American Army, if It Be-
comes Necessary.

FUNSTON GOES TO DOUGLAS

Fighting Kansan to Take Personal
Charge or Troops on Border—
Carranza Force Ready.

Douglas, Ariz., Nov. 1.—Gen. Fran-
cisco Villa began moving his troops
into position tonight for an attack on
Agua Prieta, Sonora, opposite here, re-
gardless, he personally declared, of
any consequences or effects from the
United States.
"If necessary, I will fight the United
States army assembled along the bor-
der," Villa asserted after hearing this
afternoon for the first time that the
American government had given per-
mission for Carranza to transport
troops from Laredo and Eagle Pass,
Tex., to reinforce the garrison at Agua
Prieta.

Four of these troop trains arrived
tonight, bringing the total fighting
men of the garrison commanded by
Gen. P. Elias Calles to approximately
six thousand men.

Villa himself was with his cavalry,
forming a flank guard, which passed
along the border today. It was on this
march that he learned that Carranza
reinforcements had been transported
over American territory and launched
a verbal attack on the United States,
which he declared would turn into a
physical attack if necessary.

"Agua Prieta will be mine," he as-
serted, "Americans or no Americans."

Says He Can Whip the U. S.
"I am through with the United
States. I can fight my battles. Let
them fight theirs."

"I can whip Carranza and his entire
army, but it is asking a great deal to
whip the United States; but I suppose
I can do that, too."

Villa said his entire plan of cam-
paign had been mapped out. At that
time the general was with a small
bodyguard three miles east of Nigger-
head, a black butte just below the bor-
der and almost within range of the
3-inch guns of the Agua Prieta garri-
son.

Gen. Funston to Douglas.

San Antonio, Tex., Nov. 1.—Border
conditions at Douglas, Ariz., have be-
come so critical that Maj. Gen. Fred-
erick Funston, commanding general of
the Southern department, left last
night for the Arizona town in order
that he may personally supervise the
movements of the American army
along the border in that vicinity. He
will arrive in Douglas Tuesday morn-
ing.

ERASED HYPHEN IN CHICAGO

Three Hundred Former Germans
Germans Stood Up as Americans
at a North Side Meeting.

Chicago, Nov. 1.—American citizens
who were born in Germany or were
of German descent cut out the hyphen
this afternoon and stood up in North
Side Turner Hall as Americans.

There were more than 300 of them
at the meeting, which was preliminary
to the organization of the Carl Schurz
Co-operative Society. The name
Schurz is to convey the Teutonic fea-
ture of the society, supplanting the
name of the fatherland, which at any
other time might have been used.

It was reported that a man known
to have close relations with the gov-
ernment in Berlin went to the Turner
Hall, but was stopped at the door. He
was told it was the purpose of the
society to keep itself above even sus-
picion that it had anything to do with
German agents. He went away.

AMERICAN BOAT CAPTURED

British Prize Crews Arrive at Halifax
with Steamer Hocking—Have
Dutch Steamer, Too.

Halifax, N. S., Nov. 1.—The Dutch
steamer Hamburg, from New York,
and the steamer Hocking, from New
York for Norfolk, were brought into
port here today by prize crews from a
British warship. The Hocking formerly
was the Danish steamer Gronland,
but was recently changed to American
registry and was flying the American
flag when overhauled by the warship.

The sheriff of the admiralty court
has taken charge of both steamers and
has placed armed men aboard, but
nothing has been made public as to
why the vessels were seized. Both
steamers were convoyed here by war-
ships.

Bulgars Take 11 Americans.

Washington, Oct. 28.—A number of
American physicians stationed at Us-
kup, Serbia, are believed to have been
captured with Lady Ralph Paget of
England by the Bulgarians.

Big British Cruiser Ashore.

London, Oct. 29.—The British cruiser
Argyll grounded yesterday morning
off the east coast of Scotland. Owing
to bad weather prevailing it is feared
it may become a total wreck. The
officers and crew were saved.

Japs to Ignore Christians.

Tokio, Oct. 29.—Japan has decided
to adhere to her original idea not to
invite a representative of the Chris-
tian religion to the coronation cere-
monies of Emperor Yoshihito to be
held in Kioto.

GERMANS CAPTURE FRENCH TRENCHES

Well Organized Attack in Cham-
pagne District Was Only
Partially Successful.

IMPORTANT POSITION TAKEN

Height No. 192, Near Tahure, Lost by
French—Austrians Continue to
Hold Italians.

Paris, Nov. 1.—German troops in im-
portant masses made a thoroughly or-
ganized attack last night along a front
of almost five miles in the Champagne
district and were subjected to a serious
check, with heavy losses, the French
war office announced today. It is as-
serted that the assaulting forces were
hurled back along the entire front of
the attack, extending from the vicinity
of Hill No. 195 to the position of
"La Courtine," except that they suc-
ceeded in reaching the summit of
Butte de Tahure.

Large numbers of dead were left by
the Germans on the battlefield. The
infantry engaged in the assault con-
sisted chiefly of troops transferred re-
cently from the Russian front, accord-
ing to the French official statement.

As Berlin Tells It.

Berlin, Nov. 1.—The storming of
"Height No. 192," northwest of Ta-
hure in the Champagne district, and
the capture of 1,100 meters (about
1,200 yards) of French trenches north-
east of Neuville and south of Souchez
in the Artois region, was announced
today by the German army headquar-
ters. More than 1,400 prisoners were
taken and four machine guns cap-
tured.

The loss in an attack by a superior
force of French of a salient trench
north of Le Mesnil in the Champagne
is admitted.

Still Beat Back Italians.

Vienna, Nov. 1.—The following offi-
cial communication from general head-
quarters was issued today: "The Ital-
ians yesterday repeated their attacks
against the strongly contested places,
the Tolmino and Gorizia bridgeheads,
and also against several places in the
Carso, on the plateau of Doberdo.
Fierce hand-to-hand fighting occurred,
lasting throughout the night in some
sections, but in the end our troops
maintained their positions everywhere."
"On the Tyrolean front enemy at-
tacks in the Tonale region were again
repulsed. Before our fortifications on
the Col di Lana calm has prevailed."

Bulgarians Take Velea.

London, Oct. 30.—A dispatch to the
Exchange Telegraph Company from
Athens says:

"It is learned from a good source
that the French, after a three days'
fight, have occupied Strumitza and ad-
vanced thirty-two kilometers (about
twenty miles), into Bulgarian terri-
tory. The Bulgarians lost heavily."
